

Dear Twin Peaks Jazz/ Lab Band Students and Parents,

Welcome to the 2019-20 edition of the Twin Peaks Jazz Band. This year we will have one Jazz Ensemble (by audition only) and one Lab Band (all band and Orchestra students interested. 6th grade by audition.). Both of these bands will meet during RAM time. In these bands we learn how to play various jazz styles along with learning how to improvise solos. I am looking forward to the many upcoming concerts this school year. At the beginning of the school year we will all meet as one class and then in October there will be an audition to see who is in Jazz Ensemble. This handbook will contain all of the information you will need for the year.

Performance Schedule

The Performance schedule for both of these groups is very fluid. I receive various requests for performances throughout the year. When a new concert is booked I will notify you immediately. I will update www.tpmsband.com as new dates and times are confirmed. The Schedule as of 8/10/2019 is listed below.

Performances

Jazz Ensemble and Lab band are performance-based classes, attendance at all performances is mandatory. We are a team and everyone is important in helping us perform to our best. Please put these dates on your calendar now so that you can schedule around them. I hope to have all of the TBD dates for the remainder of the school year done in September.

Why is attendance mandatory at performances?

1. Performing for an audience is the primary focus of this class. Concerts provide an experience that cannot be reproduced in the classroom.
2. Performances are means by which the skills learned in class are evaluated.
3. Band performances are a group effort. The performance is weakened by every missing student. We rehearse together and we perform together.

Performance attendance

1. Written excuses may be considered when submitted two weeks prior to the concert if the excuse has validity.
2. Unexcused absence for any performance will result in a parent conference and possible removal from the band.
3. Students must wear the appropriate concert dress for performances. Jazz and lab Band will have a special designed shirt to wear at all performances. Failure to be properly attired will result in lunch detentions and repeating offenders might be removed from the band.

Concert Dress

A big part of performing is dressing nicely. The dress requirement for all concerts (except outdoor concerts) is that the boys wear nice black dress pants, black dress shoes, with the Twin Peaks Jazz Shirt.. The dress for girls is black dress pants or a black skirt that goes below the knee when seated, black shoes, along with the Twin Peaks Jazz shirt. No jeans, white socks, or tennis shoes. On occasion when the band plays outdoors shorts and tennis shoes might be allowed. Please contact me if you need assistance in acquiring concert clothes. (Depending on the temperature during RAM concerts, shorts might be allowed)

Ensemble Behavior

Ensemble behavior is essential to allow the students to reach their maximum potential. I will be using the same system of grading behavior that I will be using in the Concert Bands. Our Bands are essentially music teams. The actions of any individual can either help or hinder the entire ensemble in both rehearsal and performance. Self-discipline is not optional; it is required. Repeat offenders will not be tolerated. A system of checks and warnings will be used to promote proper ensemble behavior. Students will receive a check mark for any infraction in the following areas:

Class Preparation

No jamming before class starts

Quiet during rehearsal when not playing

Demonstrates correct posture while playing

Respect for self and others

Participates appropriately during rehearsal

Each Day

One check mark will result in a verbal warning.

Two Check marks will result in a lunch detention.

Three check marks will result in a lunch detention, and a phone call or email home. Parent conference if requested. Each check mark after three will result in additional reductions and a parent conference. There are also check marks for good behavior in the above areas as well resulting in either extra credit or removal of a check mark. A student who is continually acquiring check marks will be removed from participating in Jazz Ensemble and or lab Band.

Citizenship and Effort Grade in Jazz Band

Citizenship Grade
